# Errata

Jost, C., Arino, O. and Arditi, R., 1999. About deterministic extinction in ratio-dependent predator-prey models. *Bulletin of Mathematical Biology* 61:19–32.

The first system of equations on page 24 should be

$$
\frac{dL}{dt} = L(R + Q - \frac{R}{S}LP) - S\frac{L(1+L)}{1+SL}
$$
$$
\frac{dP}{dt} = \left(S\frac{L}{1+SL} - Q\right)P.
$$
